Harvey

Mary Coyle Chase's Harvey has been an American favorite since it was first brought to Broadway in 1944. The story is about Elwood P. Dowd, a good-natured, mild-mannered eccentric who is known in all of the cafeterias and saloons in his small town. Elwood is polite and cheerful and always friendly toward strangers, he has just one problematic character trait: his best friend is an invisible six-foot-tall rabbit, Harvey.
